

CFH marks groundbreaking for West Wharf in Business Bay

19 January 2007

DUBAI -- Following the launch of West Wharf in December last year, yesterday saw the official groundbreaking ceremony and laying of the foundation stone.

Scheduled for completion in December 2008, West Wharf comprises 18 floors offering a range of contemporary loft, townhouse and apartment living including duplexes and penthouses with private swimming pools. The development enjoys views of the Dubai Creek and has underground parking along with leisure facilities.

Laying the foundation stone, Fawzi Farah, Chairman of the developers, Corporate Finance House (CFH), said: "This is a truly momentous day for us as we lay the first stone of our first real estate project in Dubai. We would like to thank all our partners and investors for their continuous support. We also thank the management of Dubai Properties and the Government of Dubai for their vision and their cooperation throughout the preparation phases".
